## MUG & TUMBLER SERIES

This classic tumbler features a push-button flip lid. Just slide the button to unlock and push, the cap will flip up for easy, touch-free and one-handed hydration. It not only stops the tumbler from leaking, but keeps the drinking spout protected and clean. The cap includes a lock to keep it from coming undone in your bag. The lid also comes with a built-in filter for more comfortable drinking experience.

- ◎ Wide mouth to fit ice and allow for easy pouring and cleaning.

## FOOD JAR SERIES

- © **DESIGNED FOR PACKABILITY**  
Whether it's a day out in the wild or a wild workday, Haoqi vacuum food jars ensure you have a tasty lunch to look forward to. The smart design and the leak-proof lid with strong handle make for mess-free portability. It's made to go anywhere.
- © **LEAKPROOF:**  
The tight-fitting lid makes it leak-proof while still keeping easy to open.
- © **LOCK IN THE DELICIOUSNESS**  
Fill the thermal food jar with creamy yogurt, soup, or mouthwatering cheese, and enjoy every bite. Vacuum insulation will be hard at work. So, your food stays hot or cold for long hours.
- © **MADE TO LAST**  
Faced with an arduous hike or an office lunch break, the 18/8 stainless steel has durability that is made to last. It's also 100% BPA-free for a better planet.
- © **EASY TO WASH**  
Haoqi insulated food jars stand out with a wide mouth opening. This means easy rinsing even as you hike, camp, or kayak out in the great outdoors.
